

## IPC6 EXCURSION ROUTE 4

### PERMIAN GONDWANA SEDIMENTS

Monday October 31<sup>st</sup> to Saturday November 5<sup>th</sup>

**Excursion leader(s):** Punya Charusiri, Jirasak Chareonmit, Pitsanupong Kanjanapayont and Mongkol Udchachon

Domestic flights from Suvarnabhumi Airport in Samut Prakan to Phuket and return flight from Phuket to Khon Kaen are included in the excursion cost. Meals, accommodations, transportations and guidebook are also included. Flights will be booked by the organisers. The standard weight of one baggage is allowed 20 kg and can be upgraded for free up to 30 kg. Carry-on allowance is up to 7 kg (for more information please see the Airline website). Please check your passport validity of at least 6 months on arrival in Thailand.

**Meet at Suvarnabhumi Airport (BKK) on Monday 31<sup>st</sup> at 10.30 hrs (10.30 am) at Bangkok Airways check-in counter (<https://www.bangkokair.com/airport-check-in>) for Bangkok Airways flight PG 273 to Phuket International Airport (HKT) departure from 12.45 (0.45 pm) arriving at 14.15 (2.15 pm).**

*Phuket is a major tourist destination and therefore there are numerous direct international flights to Phuket International Airport (HKT) from many destinations worldwide. International visitors may prefer to fly directly to Phuket International Airport and clear customs and immigration there rather than through Bangkok, and meet the excursion at Phuket airport or at the hotel in Phuket.*

**UPDATED!! We will return to Khon Kaen International Airport (KKC) from Phuket International Airport on November 5<sup>th</sup>, by Thai Smile Airways WE 210 at 15:10 and arrived at Suvarnabhumi Airport (BKK) at 16:40 for flight Thai Smile Airways WE 046 at 18:45 to Khon Kaen. We will be arrived in Khon Kaen at 19:45.**

**October 31<sup>st</sup>** (Monday) At Suvarnabhumi Airport (BKK) at 1030 hrs (10.30 am) for Bangkok Airways flight PG 273 to Phuket. Introduction to Thai geology and Upper Palaeozoic stratigraphy of the Phuket and nearby areas.

**November 1<sup>st</sup>** Glacimarine of the Phuket Island

**November 2<sup>nd</sup>** Glacimarine of Phuket Island and ferry to Phi Phi Don Island. Basal Kungurian and younger Permian carbonates on Phi Phi Island. Stay at Phi Phi Island.

**November 3<sup>rd</sup>** Travel from Phi Phi Don Island to Koh Hong along the beach for Permian limestone and its depositional environment and geological process

**November 4<sup>th</sup>** Fossiliferous beds of marine Permian carbonates and shales and non-marine Tertiary fossiliferous beds of gastropods. Stay at Ao Nang, Krabi

**November 5<sup>th</sup>** Go to Phuket International Airport (HKT) by van for the direct flight to Khon Kaen.

**Remark:** Details of the field excursion and guidebook will be provided, please keep update with us.
